December 9, 2009

Dear Parents,

It is with great pleasure that I wish to formally announce to you that Saint Joseph's College Campus in Grandview Ave, Pascoe Vale South has been sold to the Antonine Sisters Order. The Antonine Sisters will take possession of the Campus on 31 January 2010.

The new facility will accommodate Years 7 to 12 and will be known as **Antonine College, St Joseph's Campus**.

It is intended to relocate the Trinity Campus to the New Campus during 2010. This will occur after renovations on the site have been completed. You will be advised more details closer to time of transfer.

We are delighted to share with you the news of these changes and I feel sure you will join with us in giving thanks for this development. This is a significant development for the Antonine Sisters Order and reaffirms our commitment to you, to provide quality educational opportunities for all students.

This exciting move will enable us to continue to grow and to provide bigger and better facilities for all current and future students at Antonine College.

These changes were discussed with the Superior of the Antonine Sisters Order, Mother Felecite Daou and her Council in Lebanon, and I am happy to assure you that they strongly support this new development.

We look to the future with enthusiasm and joy and encourage you to continue to support us, as we plan to develop our new College into an educational institute of which you can be proud. I invite you to keep showing your support by joining our Parents and Friends Association and so become involved in this very exciting venture. May God bless you all this Christmas tide.

Yours sincerely,

Sr. Daad El Azzi AS

Superior – Antonine Sisters, Australia
